

I really enjoyed spending time with my JAG buddies in the beautiful city of Savannah in 2018. Lots of laughs on the river front and sharing memories in the hospitality suite.

Colonel (Ret.) Lisa Schenck

I had a wonderful time at RAJA 2018. It was great catching up with so many of my former bosses, colleagues, and friends. I am definitely planning to attend in Omaha in 2020.

Lorrie and I have absolutely enjoyed our relaxed RAJA trip to the hosting location each year, including such places as Hawaii, Baltimore, Savannah, and Las Vegas. We have recharged long-time friendships, renewed connections, and even made new friends with judge advocates we did not know on active duty. Through RAJA, we also receive JAGC family news throughout the year.
